

SECTION I
2018 STRUCTURED APTITUDE TEST I

1. Complete the series with exact number 64:82::121:? A. 121 B. 125 C. 155 D. 145
2. Pick out the odd one A. Ogun B. Ondo C. Edo D. Delta
3. Which of the following is the highest mountain in the world? A. Mount Everest B. Mount Mississippi C. Mount Kilimanjaro D.
4. Pick out the odd one A. SEON B. HIFS C. HUTOM D. NASHD
5. Yam pounding machine was invented in which Nigerian Institution A. University of Ilorin B. Obafemi Awolowo University C. The university of Ibadan D. The university of Nigeria Nsukka
6. Select the best alternative Anthropology : Man : Anthology : ? A. women B. children C. animals D. poems
7. If 30 households harvest 500 bags of rice on a farmland, how many bags will 20 households harvest on the farmland, all other things being equal? A. $23\frac{1}{3}$ B. $33\frac{1}{3}$ C. $22\frac{1}{2}$ D. $44\frac{1}{3}$
8. Which of the following is the longest high way in the world? A. Abuja-Kano highway B. Trans-Canada highway C. Pan - American Highway D. Trans-Siberian highway
9. Which of the following is the largest Dam in the world? A. Guri dam B. Nurek dam C. Jinping - I dam D. Three Gorges dam
10. Choose the word with the correct spelling A. occassionally B. Ocassionally C. occasionally D. occasionally

SOLUTIONS

1. **D:**
Observing the numbers, the relationship can be written as
 $x^2 : (x + 1)^2 + 1$
i.e. $64 = 8^2$ and

$$82 \equiv (8 + 1)^2 + 1 = 9^2 + 1 \\ = 81 + 1 = 82$$

Similarly $121 \equiv 11^2$

$$\text{Thus } 145 \equiv (11 + 1)^2 + 1 = 144 + 1 = 145$$

2. **A:** All except Ogun is not an oil producing state (i.e. Niger Delta) in Nigeria. For further knowledge, Delta and Edo state are south-south geopolitical zone others include: Akwa - Ibom, Cross-river, Bayelsa, Rivers. Ogun and Ondo state are classified as south-west geopolitical zone others include Ekiti, Lagos and Osun.

	Zones	States
1.	North Central	Benue, Kogi, Kwara, Niger, Plateau
2.	North East	Adamawa, Bauchi, Borno, Gombe
3.	North West	Jigawa, Kaduna, Kano, Kastina
4.	South East	Abia, Anambra, Ebonyi, Enugu, Imo
5.	South West	Ekiti, Lagos, Ogun, Ondo, Osun
6.	South South	Akwa-Ibom, Cross - river, Bayelsa, Rivers, Delta

3. **A: Mount Everest**
The highest mountain in the world is Mount Everest. The mountain has the highest elevation above the sea level i.e. it has the highest altitude of about 8,850 meters above the sea level.

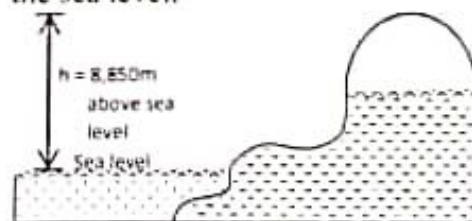

Figure showing the altitude of mountain Everest

The mountain is located in Nepal - South East Asia. It is located on the border between Tibet and Nepal in the Himalayas in Asia. Mountain Kilimanjaro is the highest mountain in Africa with 589 metres high

above sea level. It is located in Tanzania near the Kenya border in East Africa.

4. **B: HIFS**

First, we rearrange the letters to form a meaningful word thereafter we pick the odd one or the one that does not match the group.

- SEON → NOSE
HIFS → FISH
HUTOM → MOUTH
NASHD → HAND

Thus NOSE, MOUTH, HAND are parts of the body while fish is the odd one i.e. it does belong to the group.

5. **D:**

Yam pounding machine was invented the University of Nigeria Nsuka by a final year student of Agriculture and Bio-Resource Engineering. Mr. Chibuike, Ekwueme

6. **D: Poem**

Anthropology deals with the study of man while anthology deals with the study of poem.

7. **B:**

This is a proportion problem and it is solved as shown below

300 households → 500 bags
1 household → $\frac{500 \text{ bags}}{300} = \frac{5}{3} \text{ bags}$

hence for 20 households, we obtain

$$\frac{5}{3} \times 20 = \frac{100}{3} = 33 \frac{1}{3} \text{ bags}$$

8. **C: Pan-American Highway**

A highway is any road on land designed, developed and maintained by the government. It is an interconnecting road that links or connects countries for comfortable journey from one place to another. The pan-American highway is known as the longest highway which covers a length of about 48,000km. Other highways include:

Trans-Canada highway,
Abuja – Kano highway etc.

9. **D: Three Gorges dam**

A dam is a barrier constructed to hold water and raise its level, forming a reservoir used to generate electricity or as a water supply for irrigation and domestic use. Most of the dams in Nigeria are located in northern Nigeria.

There are three major functional (hydroelectric power) dams in Nigeria:

- ❖ Kanji Dam (Niger State) built mainly to generate hydroelectricity
- ❖ Jebba Dam (Niger State) built mainly to generate hydroelectricity
- ❖ Shiroro Dam (Niger State) built mainly to generate hydroelectricity.

Other dams for water reservoirs include:

- Asejire Reservoir (Oyo State)
- Oyan River Dam (Ogun State)
- Opa Dam (Ife Osun State)
- OAU dam (OAU, Ile – Ife, Osun State) etc.

It is important to note that three Gorges Dam is the world's largest hydroelectric dam located in China. It is also the largest hydropower project in the world. The three Gorges project in Hubei (China) is a multi-functional water control system. Its functions include flood control, transportation and power generation.

10. **C:**

occasionally /ə 'keɪʒənēli/ - not regular, rarely, sometimes.

Note: "cc", 's'.

2018 STRUCTURED APTITUDE TEST 2

1. Pick the odd one out A. LAWL B. OFOR C. TESTODR D. RODO
2. A cone has a base radius of 4cm and height 3cm, what is the curved surface area of the cone? A. $12\pi\text{cm}^2$ B. $27\pi\text{cm}^2$ C. $20\pi\text{cm}^2$ D. $41\pi\text{cm}^2$
3. The green colour of the Nigerian flag signifies A. Peace B. Agriculture C. Power D. Unity
4. The longest river in the world is? A. Nile B. Mississippi C. River Benue D. River Niger
5. Which of the following option is odd? A. fowl B. stomach C. chicken D. Turkey
6. Choose the appropriate stress pattern from the options. The syllables are written in capital letters. *capitalism* A. capiTalism B. capitaLism C. caPitalism D. Capitalism

1. If 20% of a number is 1280, what is that number? A. 1600 B. 1400 C. 1500 D. 6400
2. 400 metre length of a rope at full stretch become 10% longer, how much longer has the rope become? A. 500m B. 450m C. 440m D. 420m
3. What is the next number in the given sequence 1, 8, 27? A. 34 B. 43 C. 25 D. 64
4. Find the missing letter in the given series Y, B, T, G, O, A. M B. L C. N D. Q
5. Look at this series J₁₄, L₁₆J₂₀ R₂₂, what number should come next? A. J₁₈ B. N₁₆ C. J₁₆ D. N₁₈
6. From the word CARRIAGE, how many independent words can be made without changing the order of the letters and using only each letter once? A. 2 B. 3 C. 4 D. 5
7. If the first and second letters in the word DEPRESSION were interchanged, also the third and the fourth letters, the fifth and the sixth letters and so on, which of the following would be the seventh letter from the right? A. D B. P C. N D. O
8. We don't have to travel late A. don't we? B. do we? C. aren't we? D. won't we?
9. Arrange the words given below in a meaningful sequence I. poverty II. Population III. Death IV. Unemployment V. Disease
A. I, II, III, IV, V B. II, IV, I, V, III
C. II, IV, I, V, III D. II, IV, III, V, I
10. You are Tade's friend, A. aren't you? B. isn't it? C. won't you? D. weren't you?

STRUCTURED APTITUDE TEST 3 SOLUTIONS

1. **D:**
Let the number be x
Thus 20% of the number = $\frac{20}{100} \times x$
 $\Rightarrow \frac{20}{100} \times x = 1,280$

$$0.2x = 1,280$$

$$x = \frac{1,280}{0.2} = 6,400$$

2. **C:**
Original length of rope = 400m
 $10\% \text{ of } 400 = \frac{10}{100} \times 400\text{m} = 40\text{m}$
Since the rope now becomes 10% longer hence it will become $400\text{m} + 40\text{m} = 440\text{m}$ longer
Method 2
Since the rope is 10% longer at full length then the new length is
 $100\% + 10\% = 110\%$
 $\Rightarrow 110\% \text{ of } 400$
 $= \frac{110}{100} \times 400 = 440\text{m}$
3. **D: 64**
The general term or n th term of the sequence is n^3
when $n = 1, 1^3 = 1$
when $n = 2, 2^3 = 8$
when $n = 3, 3^3 = 27$
when $n = 4, 4^3 = 64$
4. **B: L**
The given series is a combination of two series: I. Y, T, O and II. B, G, ? I consist of 2nd, 7th and 12th letters from the end of the English alphabet while III. Consists of 2nd, 7th and 12th letter from the beginning of the English alphabet. So the missing letter in II is the 12th letter from the beginning of the English alphabet which is L.
5. **D: N₁₈**
In this series, the letters move two steps forward, the number increases by 2
6. **A: 2**
It is important we observe strictly the stated condition i.e. without changing the order of the letters. This without changing the order of the letters, we can only form two independent words which are: CAR and AGE. However, if the restriction above was not imposed, then we could form other words like CAGE, GEAR, etc.
7. **B: P**
The new letter sequence is EDRPSEISNO and P becomes the seventh letter from the right
8. **B: Do we?**

7. Find the next number in the following sequence 1, 8, 27..... A. 34 B. 54 C. 64 D. 44
8. Which of the following is the correct option?
A. committee B. comite C. commitee D. committe
9. Have you experienced death before? A. True B. false C. Either true or false D. none of the above
10. Find the missing letter in the given series
QIOK : MMKO :: YAWC : A. QIMK B. USGE C. YCAS D. UESG

SOLUTIONS

1. **C: YESTODR**

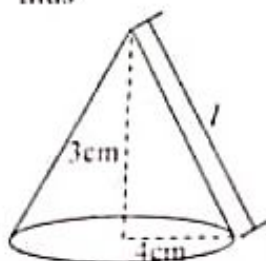

We rearrange the letters to form a meaningful word, thereafter we observe and pick the odd one or the one that does not match the group

Thus: LAWL → WALL
OFOR → ROOF
TESTODR → DESTROY
RODO → DOOR

Thus wall, roof and door are parts of a building while destroy is the odd one.

2. **C:**

Curved surface area (C.S.A) of a cone = $\pi r l$
Where l is the slant height which is obtained thus

By Pythagoras' theorem

$$l^2 = 3^2 + 4^2$$

$$l^2 = 9 + 16 = 25$$

$$l = \sqrt{25} = 5\text{cm}$$

$$\therefore \text{C.S.A} = \pi r l = \pi \times 4 \times 5 = 20\pi\text{cm}^2$$

3. **B: Agriculture**

The flag of Nigeria was designed in 1959 and officially hoisted on October 1st 1960. The flag has three vertical bands of green, white, green. The two green stripes represent Nigeria's natural wealth which is Agriculture while the white band represents peace.

4. **A: Nile river (North – East Africa)**

- River Nile is the longest river in the world with 6,650km length/Amazon river of South America is the second longest river(although, some scholars argue that amazon is the longest river) in the world with a length of 6,400km and the largest in the world.
- Yangtze River (Asia) is the third longest river in the world and the longest in Asia.
- Mississippi is the fourth longest river in the world located in North America. It is about 6,274km long and flows towards the Gulf of Mexico. Its presence is only in two countries, namely United State and Canada.

5. **B: Stomach**

As fowl, chicken and Turkey are all birds

6. **D**

7. **C: 64**

For the given sequence 1, 8, 27....., the n th term will be n^3 i.e. $T_n = n^3$
i.e. when $n = 1$ (1st term)

$$T_n = T_1 = 1^3 = 1$$

when $n = 2$ (second term)

$$T_n = T_2 = 2^3 = 8$$

when $n = 3$ (the third term)

$$T_n = T_3 = 3^3 = 27$$

when $n = 4$ (the 4th term)

$$T = 4^3 = 64.$$

8. **A:**

co mm i tt ee NB: "mm", "tt" and "ee"

9. **B: false**

10. **D: UESG**

The 1st and 3rd letters in the element Q10K are moved four steps backward and the 2nd and 4th letters in the same element are moved four steps forward to obtain MMKO.

Similarly, for the questioned element, YAWC, Y and W are moved 4 steps backward to give U and S and the letters A and C moved four steps forward to give E and G hence the answer is UESG

2018 STRUCTURED APTITUDE TEST 3

9. C:
The correct order is
II. population IV. unemployment I. poverty
V. disease III. death
10. A: aren't you?

SECTION II VERBAL ATTITUDE I

Read the passage below carefully and answer the questions that follow.

PASSAGE I

Every migration consists of three parts; first an 'emigration' from the original home; second a 'transmission' or movement through an area where the emigrants are only passage; and third 'an immigration' into the new area where the migrants settle down. When one says that a particular insect is an immigrant, it is only in reference to the particular country at the end of its flight; but it is impossible to be an immigrant without having previously been an emigrant.

Adapted from Roberts J.M.E & Smith L.E.W
(1978) *Tests in English Language, AUP*

1. From your general understanding of the passage, which of the following defines the word 'migration'?

A. The transition between two systems of the same status to a place.
B. The action of people and animals on movement to a place.
C. The passage of people; birds or animals from one place to another.
D. The movement of the humans, birds or animation from one location to the next.

2. The central theme of the passage is

- A. Passing through an area
B. Change in motion
C. Searching for greener pasture
D. Change in position.

PASSAGE II

The passage below has gaps numbered 3 to 6. Immediately following each gap, four options are provided. Choose the most appropriate option for each gap.

It is important to remember that the pronunciation of English words is not3... [A. arranged B. designed C. governed D. treated] by a strict set rules. The speaker's....4.... [A. knowledge B. acknowledgement C. choice D. account] of which to use depends on a wide range of5... [A. factors B. exercise C. techniques D. topics]. These include the degree of formality, the amount of background noise, the speed of ...6... [A. time B. light C. utterance D. information], the speaker's perception of the listener and the frequency with which the speaker uses the word.

Adapted from Roberts J.M.E & Smith L.E.W
(1978) *Tests in English Language, AUP*
In each of the question 7 to 9, choose the odd word from the list of words lettered A to D.

- | | | |
|----|------------|--------------|
| 7 | A. Annul | C. Rescind |
| | B. Repeal | D. Pronounce |
| 8. | A. Debate | C. Refute |
| | B. Rebut | D. Deny |
| 9. | A. Rase | C. destroy |
| | B. Rectify | D. Demolish |

In each of questions 10 and 11, choose the option that has been properly punctuated

10. A. I am hungry says the girl.
B. 'I am hungry', says the girl.
C. 'I am hungry' says the girl.
D. 'I am hungry'; says the girl.
11. A. The man's five son's wives have arrived

which end result is to arrive at a new area
line 1 – 3 explains it clearly.

2. **Option B:**
The main idea of the passage is movement from one place to another which is well and best captured by option B.
3. **Option C:**
Another word for 'governed' in this context is 'dictated', 'controlled' etc.
4. **Option A:**
Knowledge is the right choice which means one's understanding or information about something.
5. **Option A:**
The answer is 'factors' as enumerated in the preceding sentence. These factors as identified area: degree of formally, amount of background noise etc.
6. **Option C:**
'utterance' is the ideal answer from the listed options, it means a stretch of statements. From that context no other option is more appropriate than utterance.
7. **Option D:**
Option A – C all mean to reject something or to make a law or an agreement no longer valid or operational. To pronounce is the odd word which means to make something valid or state something, to formally declare something etc.
8. **Option A:**
Option B – D all mean to say or prove a statement false or wrong. Debate is the odd word which is to discuss on a particular subject matter in order to arrive at a concrete or specific decision.
9. **Option B:**
The other options mean to complete destroy or do away with something permanently. Rectify is the odd word which means to correct something done earlier or to make something which was wrong right again.
10. **Option D:**
'I am hungry' is a direct speech which must be in inverted commas, followed by a comma and a full stop at the end of the whole statement/sentence.
11. **Option A:**
12. **Option D:**
Cenotaph is usually a public monument (a special statue) built in memory of dead people. Most times, cenotaphs are used to honour member of the armed forces who died in battle.
13. **Option A:**
Anchor
14. **Option C:**
15. **Option A:**
16. **Option D:**
17. **Option A:**
Prove – verb. Beautify – verb
Proof – noun Beauty – noun
18. **Option B:**
Doubt – noun/verb Fast – verb
Doubtless – adverb Faster – adverb
19. **Option C:**
Way – noun Loss – noun
Way – adjective Lost – adjective
20. **Option D:**
Lie – verb See – verb
Lain – verb Seen – verb
(past participle) (past participle)
21. **Option D:**
Chide – verb Cleave – verb
Chided – verb Cloven – verb
(past participle) (past participle)
22. **Option C:**
Option C contains redundant expressions
Redundant expressions are unnecessary words, statements or sentences. In option C, it could be
I. I can do it

11. I will be able to do it
Having 'can' and 'be able to' which mean the same thing make it redundant
23. **Option D:**
'reserved' and 'back' means the same.
The word 'back' is redundant. It should be Oche reversed when he saw the policeman
24. **Option A:**
'Short' is redundant because summary means short description. The expression should have been 'A summary of the passage is give below'
25. **Option D:**
Reprieve means to cancel or postpone a punishment, especially an execution.
Option D clearly captures the word reprieve.
26. **Option A:**
Tact means the ability to deal with situations carefully without giving offense. Tact is a skill necessary for proper administration. **Option A** captures it well
27. **Option C:**
It means all effort not to make the baby cry fails as the baby would cry every night.
28. **Option A:**
To make a storm in a teacup means to make a lot of unnecessary anger, disturbance or wrong over a matter that is not important.
29. **Option A:**
To be uncouth means to behave rudely.
To be crude and awkward. The opposite is refined which means to be polite.
30. **Option C:**
Invaluable means something that is extremely useful, priceless and precious.
The opposite is worthless.
31. **Option B:**
- Enthusiasm means an energetic interest in a particular subject or activity. It is the eagerness to be involved in something. So enthusiasm can disappear which means not having the eagerness or interest in an activity.
32. **Option B:**
Scandal is an event or incident that brings disgrace, damage, shock or disapproval to someone or something. The opposite is Credit which means to bring praise, approval and honour to some or something.
33. **Option A:**
To delegate is to officially choose someone for a job or to do something. The word nearest to it is 'numerate'
34. **Option C:**
To be melancholic means to be unhappy, sad about something. The nearest word is dejected.
35. **Option D:**
For a cement to set means to be hardened.
36. **Option B:**
To be relative means to be measured in comparison with something else. So, comparatively is the ideal choice.
37. **Option D:**
38. **Option B:**
It means to bark angrily.
39. **Option A:**
40. **Option D:**
41. **Option B:**
42. **Option D:**
43. **Option A: ACCOMMODATION** Note 'CC and MM'
44. **Option B:**
45. **Option B:**
46. **Option C:**
Deductive reasoning.
47. **Option D:**
Retributive justice

48. **Option B:**
Reckless driving
- 49.
50. **Option C:**
Speed up: It means to happen or move faster or to make something happen or move faster.

VERBAL APTITUDE TEST II

Choose a word which has the same or nearly the same meaning as the first word

1. Feeble:
A. Strong B. Weak C. Tired D. Little
2. Astonish:
A. Asunder B. attack C. surprise D. sensible
3. Miserable:
A. Mischief B. wretched C. mistake D. wicked
4. Stubborn:
A. Obstinate B. sturdy C. fearful D. strong
5. Permanent:

- A. Temporary B. old C. lasting D. complete
6. Boss:
A. Governor B. servant C. mistress D. master
7. Dear:
A. Precious B. cheap C. nice D. useless
8. Elegance:
A. Grace B. display C. safety D. ugly
9. Thankfulness:
A. Greatness B. gratitude C. meanness D. goodness
10. Study:
A. Learn B. enjoy C. teach D. remember
11. Prohibit:
A. Advertise B. allow C. forbid D. destroy
12. Excitement:
A. Enthusiasm B. zeal C. fuss D. success

Complete the following similes

13. Her gown is as green as:
A. Grace B. grass C. flag D. butter
14. Olu is as hungry as:
A. Orphan B. wolf C. termites D. thug
15. He is as mischievous as:
A. Satan B. monkey C. gazelle D. tortoise
16. He is as industrious as:
A. An ant B. elephant C. work D. messenger

Choose a word opposite in meaning to the first word

17. Above:
A. Over B. below C. high D. low
18. Liberty:
A. Freedom B. captivity C. stadium D. guilty

In each of questions 29 to 32, choose the option opposite in meaning to the word underlined

29. Akin is an uncouth young man
A. a refined B. an untidy C. a proud
D. a lazy
30. The book will be invaluable for staff in the civil service.
A. priceless B. helpful C. worthless
D. hopeless
31. His enthusiasm for the competition has waned. A. decreased B. disappeared
C. changed D. grown
32. Unoma's action brought scandal to her family. A. praise B. credit C. approved
D. merit

In each of the questions 33 to 36, choose the option nearest in meaning to the word underlined.

33. The man was delegated by the government to investigate the matter.
A. nominated B. commanded C. deployed
D. employed
34. He became melancholic when he was told he had not won the scholarship
A. disgruntled B. defeated C. dejected
D. defiant
35. When the cement had set, they began the next stage of the work
A. curdled B. settled C. sedimented
D. hardened
36. It was relatively easy to do the job.
A. considerably B. comparatively C. extremely
D. undoubtedly

In each of questions 37 to 41, choose the option that best completes the gap(s)

37. The chicken..... an egg which was strange-looking. A. lied B. layed C. laid
D. lay
38. As we worked slowly to the door, the dog barked
A. ferociously B. furiously C. loudly
D. repeatedly
39. I prefer going to school... working on the farm A. to B. unlike C. than D. but

40. Students in the school lectures standing A. imbibe B. get C. collect
D. receive
41. His efforts resulted....failure
A. into B. in C. to D. by

In each of questions 42 to 45, choose the word that is correctly spelt

42. A. hipopotamus C. hippopotamus
B. hippopotamus D. hippopotamus
43. A. accommodation C. accomodation
Bacommodation D. accomodatio
44. A. agregate C. aggreggate
B. aggregate D. aggreggate
45. A. juvinile C. juvenile
B. juvenile D. juvinille

In each of questions 46 to 50, choose the option used regularly together with the given word.

46. DEDUCTIVE
A. logical C. reasoning
B. arrangement D. sense
47. RETRIBUTIVE
A. wrong C. act
B. punishment D. justice
48. RECKLESS
A. abandon C. extravagance
B. driving D. drawing
49. HOME
A. in B. at C. with D. from
50. SPEED
A. down B. over C. up D. in

VERBAL APTITUDE I SOLUTIONS

1. Option A:
clearly describes the meaning of migration from the passage. Two systems are involved in a migration process from the passage. The first system is 'the original home', the second is 'an area where the migrants are only passing'. These two systems are of the same states

- B. The man's five sons' wives have arrived
- C. The mans' five son's wives have arrived
- D. The man's five son's wives have arrived

In each of questions 12 to 6, choose the option that represents the given phrase or clause.

- 12. A monument in memory of dead people
A. sanatorium B. cemetery C. covey
D. cenotaph
- 13. A piece of metal dropped over the side of ships to prevent them from moving A. anchor B. grazier C. hutch D. hinge
- 14. A place where aircraft are kept A. warren B. apiary C. hanger D. aviary
- 15. An exclusive group of people who have the same position in society
A. caste B. club C. assembly D. cartel
- 16. A long poem about the actions of great men and women or about a nation's history A. ode B. sonnet C. ballad
D. epic

In each of questions 17 to 21, choose the option that fills the blank space bearing in mind the grammatical relationship between the first pair of words

- 17. Prove and proof; beautify and A. beauty
B. beautific C. beautiful D. beautifully
- 18. Doubt and doubtless; fast and A. fast B. faster
C. fasten D. fastness
- 19. Way and wayward; loss and
A. loosen B. lose C. lost D. loose
- 20. Lie and lain; see and
A. sees B. saw C. seeing D. ~~lose~~
- 21. Chide and chided; cleave and
A. cleaving B. cleaves C. cleft C. D.
cloven

In each of questions 22 to 24, choose the option that contains a redundant expression.

- 22. A. No one has gone there and come back alive
B. I have not watched and will never watch that film
C. I can be able to do it

- D. Many have tried it and failed.
- 23. A. The chief was injured during a tussle for the crown
B. He was speechless when he saw her
C. Mr. Odilia has gone home for his pay
D. Oche reversed back when he saw the policeman
- 24. A. A short summary of the passage is given below.
B. No man can die twice
C. The boy is very good
D. I will go home tomorrow morning

In each of questions 25 to 28, select the option that best explains the information conveyed in the sentence

 - C- Forbid**
The transitive verb *prohibit* means to forbid, disallow, or proscribe officially, to make illegal or illicit.
 - A- Enthusiasm**
The noun *excitement* means the state of being excited; enthusiasm, excited interest, eagerness, etc.
- Completing the following similes
- B- Grass**
A grass has a green colour. Therefore, the subject's gown has been likened to a grass.
 - B- Wolf**
A wolf is known for devouring and eating flesh and it always appear hungry.

Therefore, the level of Olu's hunger has been likened to a wolf.

15. B- Monkey

A monkey in the context can mean a mischievous child. Therefore, the subject has been likened to a monkey as being mischievous.

16. A- An Ant

An ant is an insect typically living in large colonies composed almost entirely of flightless females. Ants cannot fly, yet they can build houses on hills which makes it industrious. Therefore, the subject has been likened to an ant as being industrious.

Choosing a word opposite in meaning to the first word

17. B- Below

The preposition *above* means higher in position; beyond, overhead, raised, etc. therefore, the opposite is below, deficient, fewer, inferior, less, under, etc.

18. B- Captivity

The noun *liberty* means freedom; therefore, the opposite is captivity, denial, restraint, etc.

19. C- Assent

The noun *dissent* means disagreement, disapproval, or refusal. Therefore, the opposite is assent, acceptance, agreement, approval, authorization, endorsement, ratification, etc.

20. B- Blunt

The adjective *sharp* means able to cut easily, intelligent, acute, astute, clever, discerning, etc. Therefore, the opposite is blunt, dull, bland, unintelligent, etc.

21. C- Passenger

The noun *conductor* in this context means a person who takes tickets on public transportation and also helps

passenger. Therefore, the opposite is passenger, nonconductor, etc.

22. A- Miser

The noun *spendthrift* means a person careless with money; imprudent, prodigal, profligate, squanderer, etc. Therefore, the opposite is miser, saver, scrooge, cheapskate, churl, hoarder, penny-pincher, etc.

23. B- Sacred

The adjective *profane* means immoral, crude, disrespectful of religion; blasphemous, coarse, etc. The opposite is sacred; clean, decent, kind, moral, nice, polite, pure, refined, religious, respectful, etc.

24. B- for

The idiomatic expression *stand for* means to advocate or support something. Hence, she was the first woman to support election to parliament.

25. D- for

This has to do with collocation. Here, the verb *wait* collocates with *for* which means to wait until a specified event occurs. Therefore, we can as well say that **they waited for their mother to come home.**

26. B- for

This has to do with the use the use of *for*. *For* is used to say the exact length of time of an action as against *since* that tells the time an action began. E.g I have been teaching for 8 years; He has been teaching for the past 7 years; he has been teaching since 7am. Here, *for* and *since* has been used differently. *For* is used to state the exact time an occurred or has been occurring while *since* is used to state the time an action occurred.

27. A- that

The fact (that) is used when talking about a situation and saying that it is true. E.g. Our decision to build the museum in

Hartepool was influenced by the fact that there were no national museums in the North East.

28. D- were disappointed by

This has to do with collocation. In the context of this expression, *disappointed* collocates with *by* which means to be unhappy or discouraged because one's hope or expectations about something were not satisfied.

29. A- graduate from

Here, *graduate* collocates with *from* and it has a declarative of Bayo graduated from College. The introduction of the primary auxiliary verb "did" makes the verb *graduate* a simple present tense because the past tense in *graduated* has been transferred to *do* to become *did*.

30. C- consult

Whenever *had better* is used in a sentence, it must be used with a simple present tense. Hence, the use of *consult*. E.g. You had better go home and read your books. Here, the present tense must not have "s" and it must also not begin with "to". E.g. It is getting late, so we had better go (it would be better for us to go).

31. D- will have married for twenty-five years

This kind of sentence is used to express the future action in which case it is projected that a particular task will have been completed at a specific time in future. Normally, the present form of a modal verb plus the past participle form of a lexical verb is employed.

Will have done; may have taken; will have seen, etc.

32. D- on physics, and the third on literature

This has to do with the correct use of punctuation. The comma that appears after the penultimate (second to the last) word in a list is known as the serial

comma and it is appropriate when having phrase after the word, but not compulsory if what appears after the penultimate word or phrase is just a word and not a phrase. For example: on physics and biology.

33. D- can be convenient and time-saving

This has to do with the correct use of a compound word. *Time-saving* has a hyphenated compounding which must have a hyphen in between the compound word. Another example is *above-named*.

34. D- Maya and Julian decided to change their vacation plans because of the storm.

This tells us that the reason for the change in vacation plan by Maya and Julian was because of the news they heard on the storm.

35. B- One way to increase seahorse population is to ban the fishing of seahorses.

It has been asserted in the passage that seahorses have declined everywhere they are fished. Therefore, it can be inferred that the only way to increase their population is banning the fishing of seahorse.
