ESUT POST UMTE PAST QUESTIONS AND ANSWERS

NIGERIASCHOOLSINFO @ FACEBOOK

SUPER GRACE PUBLICATIONS

11-Sep-17

Instructions

NOTE: PLEASE YOU ARE STILL ADVISED TO FURTHER YOUR STUDIES WITH YOUR TEXTBOOKS AND JAMB PAST QUESTIONS...

PLEASE READ THE FOLLOWING INSTRUCTIONS CAREFULLY:

Test: POST UTME

School: ESUT

Time: 40 mins

Subject: English , MATHS & GOVT....

☑ There are 30 questions in this test and you are expected to attempt all.

☑ The maximum time allowed for this test is 40 Minutes.

☑ If you do not have an instant idea of a question you can skip it by clicking on the next button, you can re-attempt the skipped question when you have attempted others.

☑ The attempted questions will have their button colored below the page.

☑ Upon answering your questions, you can click on each question button below to re-visit the question. Clicking on the submit button will give you the opportunity to submit your test.

☑ In the event of exhausting your maximum allowed time , the system will end the test and automatically submit it for grading.

Our target is to make you a Star! A #SuperStar academically.....Our Resource materials Keeps you ahead of others ! Its gives you what others dont have ! Its gives you What others Don't know ! Here @ nigeriaschoolsinfo our papers are skillfully and carefully prepared by seasoned tutors and lecturers.....Your 100% Success depends on this Materials.....#Flyingcolours.....#Success..... | Nigeriaschoolsinfo @ facebook

As this book is in your hand we want to assure you that it is your turn to succeed!

SUCCESS IN LIFE IS NOT ALL ABOUT PASSING WITH GOOD GRADES AND GAINING YOUR ADMISSION! To be a real success in life and know true joy you must have to know this man called JESUS...Reading on your own capacity might be full of struggles But inviting Jesus in to your life will make the difference....

.....

Bible Verses About Wisdom - Wisdom Bible verses unlock the keys to gaining wisdom in your Christian walk; therefore, as Christians we can gain knowledge through the study of God's word. Find out what the Lord has to say about gaining knowledge and wisdom in your life.

Proverbs 1:7

7 The fear of the LORD is the beginning of knowledge, but fools despise wisdom and instruction.

James 1:5 NIV>> If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you.

Philippians 4:13 >I can do all things through him who strengthens me.

Prayer for exams success

(a short prayer for passing an exam)

Father,

I pray that you would help me pass this exam. Thank you for your guidance in leading me to this study and for sustaining me as I have worked for this qualification. I ask now that your spirit would lead me. Come sharpen my thinking and help me to excel in this test of my learning and understanding. May I be able to recall everything I need from my studies and answer each question well.

Amen.

YOU DON'T HAVE ANY REASON TO FAIL IN LIFE

Disability is not inability . !!!!!

The life of Mr. John Foppe, 34 year old – man born without arms and a seven other birth mistakes or defects confirms this ! To millions on earth today , that would have being a good reason to blame God daily for their conditions and further still, others may probably develop self-pity, self comparism , /self-blame ! But for this 34years old American, he cooks, eats, drinks, drives and operates his computer all with his legs.

A master degree holder, foppe is the author of an inspirational and personal growth book tittle :-
WHAT'S YOUR EXCUSE ? MAKING THE MOST OF WHAT YOU HAVE ."

God is sending me to let you know that no matter your setbacks , obstacles , handicaps or barriers , your life is a product beyond excuses ! You will make it because obstacles are upstarters ! setbacks are stepping stones ! Though moses was a stammerer , he shook his generation ! though david was the last born, yet he excelled.

Though Elijah had no money , the God of miracles met his needs via a "RAVEN". Though he was inexperienced, uneducated, and little , the God of promotion made him a power broker in his generation.

What can't God do?? That is why I describe him as the God that fetches water with a basket to disgrace the bucket.

Why are you accepting that lie from the devil ? Don't forget that plato was a hunchback! M.K.O abiola started from poverty level ! Ross perot the American billionaire, started with just 2000 dollars! Thomas Edison was a poor !

Roosevelt was paralyzed from the waist ! Beethoven was a deaf! Abraham Lincoln had serious setbacks ! martin luther jnr was a black !! What is that lie[excuse] satan is showing you ? Hear Alexander pope."
AN EXCUSE IS WORSE AND MORE TERIBBLE THAN A LIE, FOR AN EXCUSE IS A LIE GUARDED."

Arise, declare war against excuses now !!!

{ Adopted from ODM DAY 9 SEPTEMBER 2017 }

ESUT POST UMTE PAST QUESTIONS

ENGLISH YEAR 1

Passage **Instruction:**

Read this passage carefully and answer the questions that follow.

As soon as the day broke, a large crowd of men from Ezeulu's quarter stormed Okonkwo's compound, dressed in garbs of war. They set fire to his houses, demolished his red walls, killed his animals and destroyed his barn. It was the justice of the earth goddess, and they were merely her messengers. They had no hatred in their hearts against Okonkwo. His greatest friend, Obierika, was among them. They were merely cleansing the land which Okonkwo had polluted with the blood of a clansman. Obierika was a man who thought about things. When the will of the goddess had been done, he sat down in his obi and mourned his friend's calamity. Why should a man suffer so grievously for an offence he had committed inadvertently? But although he thought for a long time he found no answer. He was merely led into greater complexities. He remembered his wife's twin children, whom he had thrown away. What crime had they committed? The Earth had decreed that they were an offence on the land and must be destroyed. And if the clan did not exact punishment for an offence against the great goddess, her wrath was loosed on all the land and not just on the offender. As the elders said, if one finger brought oil it soiled the others.

We can deduce that Obierika

- ☐ was satisfied with the will of the earth goddess
- ☐ questioned the justice of the earth goddess
- ☐ reconciled himself to the ways of the land
- ☐ believed that Okonkwo rightly deserved his punishment

Correct Answer is: B

Question 2English

From the options lettered A - D below, select the option nearly opposite in meaning to the underlined word or expression in the sentence: The litigant did not appear in court today

- A. Complainant
- B. Chief Judge
- C. police officer
- D. defendant

Correct Answer is: C

Question 3English

From the options provided under each sentence below, select the option that best explains the information conveyed in the sentence. There is no love lost between the two families. This means that: The families exchange love letters

- A. The families hate each other.
- B. The families love each other.
- C. The families did not lose their love for each other
- D. The families exchange love letters

Correct Answer is: A

Question 4English

From the options lettered A -D select the option nearest in meaning to the underlined word in the sentence.

Obinna was ingenious in his remarks about Mr. president

- A. rude
- B. abusive
- C. candid
- D. acerbic

Correct Answer is: C

Question 5English

Ike writer's cynosure in this passage is:

- A. Rev. Father Robert
- B. Immam Musa
- C. Dad
- D. Mama

Correct Answer is: A

Question 6English

It is not true that Mohamed

- A. was slapped by a female police officer
- B. was humiliated and enraged
- C. died in a mass protest in Tunisia
- D. burnt himself with flammable liquid

Correct Answer is: C

Question 7English

Choose the correct spelling from each of these alternatives

- A. ocasion
- B. occasion
- C. ocassion

D. occasion

Correct Answer is: B

Question 8English

In each of the questions, choose the option nearest in meaning to the underlined word(s).

Tortoises need cool climates and must have places where they can hibernate.

A. relax

B. reproduce

C. hide at night

D. sleep deeply

Correct Answer is: D

Question 9English

Choose the correct spelling from each of the following options:

Don't play with your key, you may.....it?

A. loose

B. loss

C. lose

D. loosen

Correct Answer is: C

Question 10

English

In each of the questions, choose the option most nearly opposite in meaning to the underlined word(s).

She only gives a superficial impression of warmth and friendliness.

A. strong

B. a fake

C. a deep

D. an unrealistic

Correct Answer is: C

MATHS YEAR 1

Question 1Mathematics

30 Boys and x Girls sat for a test. The mean of the boys' score and that of the girls' were respectively 6 and 8. Find x if the total score was 468.

- A. 38
- B. 36
- C. 24
- D. 22

Correct Answer is: B

Question 2

Mathematics

For $V = [(ST^2 (p + h^2) \div L^2)]^2$, make p the subject.

- A. $(L^2 V^{\frac{1}{2}} \div ST^2) - h^2$
- B. $(L^{\frac{1}{2}} V^2 + h^2) \div ST^2$
- C. $[(L^2 V^{\frac{1}{2}}) \div ST^2] + h^2$
- D. $(ST^2) \div (L^2 V^{\frac{1}{2}}) - h^2$

Correct Answer is: A

Question 3

Mathematics

If $104x = 68$, find the value of x .

- A. 5
- B. 7
- C. 8
- D. 6

Correct Answer is: C

Question 4

Mathematics

If 720 is shared in the ration 4 : 2, what would be the shares?

- A. 360 : 180
- B. 600 : 120
- C. 480 : 120
- D. 480 : 240

Correct Answer is: D

Question 5

Mathematics

Simplify $(\frac{16}{81})^{1/4} \div (\frac{9}{16})^{-1/2}$

- A. $\frac{1}{2}$
- B. $\frac{2}{3}$
- C. $\frac{8}{9}$
- D. $\frac{1}{3}$

Correct Answer is: A

Question 6 Mathematics

If $g(x) = x^2 + 3x + 4$, find $g(x + 1) - g(x)$.

- A. $2(x + 2)$
- B. $x + 4$
- C. $2x + 2$
- D. $x^2 + 4$

Correct Answer is: A

Question 7 Mathematics

The following are the scores of 10 students in a test of 20 marks: 15, 16, 17, 13, 16, 8, 5, 16, 19, 17. What is the modal score?

- A. 13
- B. 15
- C. 16
- D. 19

Correct Answer is: C

Question 8 Mathematics

A market woman sells oil in cylindrical tins 10cm deep and 6cm in diameter at ₦15.00 each. If she bought a full cylindrical jug 18cm deep and 10cm in diameter for ₦50.00, how much did she make by selling all the oil?

- A. ₦62.50
- B. ₦35
- C. ₦31
- D. ₦25

Correct Answer is: D

Question 9 Mathematics

Find n if $\log_2 4 + \log_2 7 - \log_2 n = 1$.

- A. 2
- B. 7
- C. 28
- D. 14

Correct Answer is: D

Question 10 Mathematics

Without using tables, evaluate $\log_2 4 + \log_4 2 - \log_{25} 5$

- A. $\frac{1}{2}$
- B. $\frac{1}{5}$
- C. 5
- D. 2

Correct Answer is: D

GOVERNMENT ESUT YEAR 1

Question 1

Nigeria adopted a federal system of government because of

- A. the fear of domination of minorities
- B. uneven development
- C. the availability of limited resources
- D. the adoption of a state religion

Correct Answer is: A

Explanation

A is correct. Federal system of government refers to the system of government whereby all the governmental powers that exists in a given state are shared between the central authority and the component states, so that each government is legally, constitutionally independent and autonomous. These are the reasons why some states adopt federal system of government among are

- (1) The size of the country
- (2) Tribal differences
- (3) Language differences
- (4) To bring government nearer to the people
- (5) Fear of domination of minorities. **C is not correct**, because of availability of insufficient resources is not reason why Nigeria adopted federal system of government

Question 2

The military head of state during the Third Republic was

- A. General Olusegun Obasanjo
- B. General Ibrahim Babangida
- C. General Muritala Muhammed
- D. General Sani Abacha

Correct Answer is: B

Explanation

General Ibrahim Babangida ruled Nigeria between 1985 to 1993 Until he annulled the free and fair election in 1993 between S.D.P and N.R.C.

Question 3

The component units of the Nigerian federation comprise

- A. federal, state, local government and federal capital territory
- B. federal capital territory national assembly, supreme court and civil service
- C. nation assembly, military, police and civil service
- D. constituency, ward, emirate and chiefdom

Correct Answer is: A

[EXPLANATION]

A is correct. Nigeria is a federation because Nigeria practice Federal system of government. It refers to the system of government whereby all governmental powers that exists in a given state are shared between the central authority and the components states, so that each government is legally, constitutionally, independent and autonomous. The components units of the Nigerian Federation comprise of federal, state, local government and federal capital territory.

Question 4

A major merit of privatization is that it increases

- A. industrial harmony
- B. activities on the stock exchange
- C. public fiscal resources
- D. labour turnover

Correct Answer is: C

Explanation

A major merit of privatization is that it increases public fiscal resources. Privatization is a process of transferring ownership and control of companies, industries, corporations, etc, from public to private sector.

Privatization generates more fund and then revamps the economy as well as development of rural areas. Through privatization, the corporations or enterprises will be managed and organized more efficiently for the overall benefit of the masses or consumers.

Question 5

Proportional representation is a system of allocating seats in the legislature based on

- A. gender participation in politics
- B. contribution to the national economy
- C. total votes in an election
- D. an area's involvement in politics

Correct Answer is: C

Explanation

This is a system whereby a political party that scored 25% total votes is given a 25% seats in the legislature.

Proportional representation is a system of allocating seat in an election conducting in the legislative base on the total votes in an election.

Question 6

In which of the following systems is the power of the component units more than that of the central government?

- A. Monarchical
- B. Federal Governments
- C. Unitary
- D. Confederal

Correct Answer is: D

Explanation

Option D is the right answer. In Confederal System we have a loose center whereas in unitary we have a strong center and a loose or weak component.

Question 7

Nationalist agitation began in Nigeria with the

- A. annexation of Lagos in 1861
- B. formation of West African Youth League
- C. Lagos protest against water rate in 1908
- D. introduction of Indirect Rule

Correct Answer is: B

Explanation

B is correct. The introduction of native Authority gave rise to nationalist movement in Nigeria. Nationalist agitation began in Nigeria with the formation of West African youth League. Lagos became a crown colony in 1861 and introduction of indirect rule were not part of nationalist agitation in Nigeria.

Question 8

The fundamental rights of citizens include rights to

- A. free education, employment and freedom of thought
- B. life, speech and association
- C. life, liberty and property

D. association, property and social security

Correct Answer is: B

Explanation

Option B is the correct answer.

Right to life, speech and Association are ultimate hence they are inalienable right that are justiceable.

These are the fundamental human rights of Nigerian citizens as enshrined in the 1999 Federal constitution. Right to life, right to personal liberty, right to fair hearing, right to dignity of human person, right to private and family life, right to freedom of thought, conscience and religion, right to freedom of expression and the press, right to peaceful assembly and association, right to freedom of movement, right to freedom from discrimination, right to acquire and own immovable property anywhere in Nigeria. etc

Question 9

The pre-colonial Yoruba political system as a whole can best be described as a

- A. federation of chiefdoms and localities
 - B. confederation of chiefdoms and localities
 - C. confederation of monarchies and chiefdoms
 - D. highly centralized kingdom
-

Correct Answer is: C

Explanation

The pre-colonial Yoruba political system as a whole can best be described as a confederation of monarchies and chiefdoms, where the principle of check and balances also exist.

Question 10

A group of people who live together under a common law within a definite territory is a

- A. state
 - B. community
 - C. nation-state
 - D. nation
-

Correct Answer is: A

Explanation

A is correct. A nation- state is a group of people who live together under a common law within a definite territory. Although, state is also correct but the best option is nation- state. Nigeria is an example of a nation- state. Nation is a group of people having or sharing common attributes or ties without a definite territory. Nigeria is not a nation due to her unity in diversity.

ESUT YEAR 2

MATHS

Question 1

Find the equation of the straight line through $(-2, 3)$ and perpendicular to $4x + 3y - 5 = 0$

- A. $5x - 2y - 11 = 0$
- B. $3x + 2y - 18 = 0$
- C. $3x - 4y + 18 = 0$
- D. $4x + 5y + 3 = 0$

Correct Answer is: C

Explanation

Equation of a line:

$$y = mx + c$$

where m = gradient, c = intercept on y -axis

$$4x + 3y - 5 = 0$$

$$3y = -4x + 5$$

$$y = -\frac{4}{3}x + \frac{5}{3}$$

$$m_1 = -\frac{4}{3}$$

Gradient of line through $(-2, 3)$:

$$m_2 = \frac{y - 3}{x - (-2)}$$

Recall, relationship between gradients of perpendicular lines:

$$m_1 \times m_2 = -1$$

$$\frac{y - 3}{x - (-2)} \times \left(-\frac{4}{3}\right) = -1$$

$$-\frac{4y + 12}{3x + 6} = -1$$

$$-4y + 12 = -3x - 6$$

$$3x - 4y + 18 = 0$$

Question 2

What is the common ratio of the A.P. $(a^{10} + a^5)$, $(a^{10} + 2a^5)$ + ...?

- A. 5
- B. a^2

- C. a^5
D. 3

Correct Answer is: C

Explanation

To get common ratio

$$a^5(a^{10} + 2a^5) \div (a^{10} + a^5)$$

Collect the like terms

$$a^{10} a^{10} + 2a^5 a^5$$

$$a^5 \cdot 0 + a^5 = a^5$$

Common ratio between 1st and 2nd terms is a^5

Question 3

The sum of four numbers is 1214_5 . What is the average expressed in base five?

- A. 401
B. 114
C. 411
D. 141

Correct Answer is: D

Explanation

First, convert to base ten:

$$1214_5 = (1 \times 5^3) + (2 \times 5^2) + (1 \times 5^1) + (4 \times 5^0)$$

$$1214_5 = 125 + 50 + 5 + 4$$

$$1214_5 = 184_{10}$$

Get average by dividing by four:

$$184/4 = 46$$

Convert back to base five:

$$5 \mid 46$$

$$5 \mid 9 \text{ r } 1$$

$$\begin{array}{r} 5 \mid 1 \quad r \ 4 \\ 5 \mid 0 \quad r \ 1 \end{array}$$

$$\Rightarrow 141_5$$

Question 4 (Statistics) 2008

If $x > 0$, find the range of the numbers $x^3, 3x + 2, x^4, 4x, 2x^3, x^2, 2x^2, 3x$ and $3x + 1$.

- A. $3x + 3$
- B. $3x + 1$
- C. $2x + 5$
- D. $2x + 1$

Correct Answer is: A

Explanation

Rearrange

$$x^3, x^2, x^4, x, 2x^3, 2x^2, 3x, 2x-1, 3x, 3x+1, 3x+2, 4x$$

Range = Highest value - lower value

$$= 4x^4 - (x^3)$$

$$= 4x^4 - x + 3$$

$$= 3x + 3$$

Question 5

If p varies inversely as the cube of q and q varies directly as the square of r , what is the relationship between p and r ?

- A. p varies directly as r^3
- B. p varies inversely as r^6
- C. p varies inversely as $\sqrt[6]{r}$
- D. p varies directly as r^6

Correct Answer is: B

Explanation

$$p \propto q^{-3} \dots\dots\dots (i)$$

$$q \propto r^2 \dots\dots\dots (ii)$$

Combine both Equation

$$P \propto (R^2)^{1/6}$$

$$P \propto R^{1/6}$$

Which is interpreted as P varies inversely as r^6

Question 6 (Differentiation) 2016

If $y = 2x^3 + 6x^2 + 6x + 1$, find dy/dx

A. $6x^2 + 12x + 1$

B. $6x^2 + 6x + 1$

C. $6x^2 + 6x + 6$

D. $6x^2 + 12x + 6$

Correct Answer is: D

Explanation

$$y = 2x^3 + 6x^2 + 6x + 1$$

$$dy/dx = 6x^2 + 12x + 6$$

Question 9

In a right angled triangle, if $\tan \theta = 3/4$, what is $\cos \theta - \sin \theta$?

A. $1/5$

B. $4/5$

C. $2/5$

D. $3/5$

Correct Answer is: A

Explanation

In a right angled triangle, if $\tan \theta = 3/4$, what is $\cos \theta - \sin \theta$?

$\tan \theta = 3/4$ refers to:

$$|AB|^2 = |BC|^2 + |AC|^2$$

$$|AB|^2 = 4^2 + 3^2$$

$$|AB|^2 = 16 + 9 = 25$$

$$|AB| = 5$$

$$\therefore \cos \theta - \sin \theta = \frac{4}{5} - \frac{3}{5} = \frac{1}{5}$$

Question 7

The mean of the numbers 3, 6, 4, x and 7 is 5. Find the standard deviation.

- A. $\sqrt{2}$
- B. $\sqrt{3}$
- C. 2
- D. 3

Correct Answer is: A

Explanation

$$\bar{x} = \frac{\sum x}{N} = \frac{20 + x}{5}$$

$$5 = \frac{20 + x}{5}$$

$$25 = 20 + x$$

$$25 - 20 = x$$

$$5 = x$$

$$S.D = \sqrt{\frac{\sum (x - \bar{x})^2}{N}}$$

$$= \sqrt{\frac{10}{5}}$$

$$= \sqrt{2}$$

Question 8

Find the derivative of $y = \sin^2(5x)$ with respect to x.

- A. $10 \sin 5x \cos 5x$
- B. $5 \sin 5x \cos 5x$
- C. $2 \sin 5x \cos 5x$
- D. $15 \sin 5x \cos 5x$

Correct Answer is: A

Explanation

$$y = \sin^2 5x = (\sin 5x)^2$$

$$\frac{dy}{dx} = 2 \sin 5x \left(\frac{d(\sin 5x)}{dx} \right)$$

$$= 2 \sin 5x \times 5 \cos 5x$$

$$= 10 \sin 5x \cos 5x$$

Question 9

If $9[(^{2x-1}) \div (27^{x+1})] = 1$, find the value of x.

- A. 8
- B. 5
- C. 3
- D. 2

Correct Answer is: B

Explanation

$$9^{2x-1} \div 27^{x+1} = 1$$

$$3^{2(2x-1)} \div 3^{3(x+1)} = 1$$

$$3^{(4x-2-3x-3)} = 3^0$$

$$4x - 2 - 3x - 3 = 0$$

$$4x - 3x - 2 - 3 = 0$$

$$x - 5 = 0$$

$$x = 5$$

Question 10

In triangle PQR, q = 8cm, r = 6cm and $\cos P = \frac{1}{12}$. Calculate the value of p.

- A. $\sqrt{108}$ cm
- B. 9 cm
- C. $\sqrt{92}$ cm
- D. 10 cm

Correct Answer is: C

Explanation

$$\theta = \cos^{-1}(\frac{1}{12})$$

Cosine Rule

$$p^2 = q^2 + r^2 - 2qr \cos p$$

$$p^2 = 8^2 + 6^2 - 2 \times 8 \times 6 \times \frac{1}{12}$$

$$p^2 = 64 + 36 - 8$$

$$= 92$$

$$\therefore p = \sqrt{92}\text{cm}$$

ENGLISH YEAR 2

Question 1

English

Choose the option that has the same vowel sound as the one represented by the underlined letter(s) below:

Pint

- A. Flint
- B. Pin
- C. Mind
- D. Sing

Correct Answer is: C

Question 2

English

In each of the questions, choose the option that best completes the gap.

Joseph loves football. He can mention the names of all the players

- A. at heart
- B. off head
- C. at hand
- D. off hand

Correct Answer is: B

Question 3*English*

From the options lettered A -D select the option nearest in meaning to the underlined word in the sentence.

Your constant fight is aggravating the situation.

- A. improving
- B. worsening
- C. exacerbating
- D. promoting

Correct Answer is: B

Question 4*English*

In each of the questions, choose the option that best completes the gap.

She added vegetables to her rice.

- A. little
- B. some
- C. plenty
- D. much

Correct Answer is: B

Question 5*English*

From the options lettered A -D below, choose the word or phrase that best fills the blank in the sentence: Our forefathersthat a woman's role was restricted to domestic, marital matters.

A.believe B. believed C. believe D. believed

- A. beleive
- B. beleived
- C. believe
- D. believed

Correct Answer is: D

Question 6*English*

From the options lettered A - D below, choose the word or phrase that best fills the blank(s) in the sentence.

A chorus of cheers and jeers heard from the crowd.

- A. was
- B. were
- C. have been
- D. have

Correct Answer is: A

Question 7*English*

The synonym of the word "redressal", as used in the passage, is

- A. compensation
- B. reparation
- C. judgement
- D. covering

Correct Answer is: B

Question 8*English*

Choose the option most nearly opposite in meaning to the underlined word(s).

Many businessmen are wary of night journeys.

- A. satisfied with
- B. worried about
- C. troubled about
- D. unscarred of

Correct Answer is: A

Question 9

English

In each of the questions, choose the option that best completes the gap.

He decided to embark on the journey his father's objection.

- A. in case
- B. in spite of
- C. Barring
- D. Given

Correct Answer is: B

Question 10

English

From the options lettered A - D below, select the options nearest in meaning to the underlined word in the sentence:

Johnson used apposite examples to illustrate his points.

- A. good
- B. suitable
- C. wrong
- D. contrary

Correct Answer is: B

GOVERNMENT YEAR 2

Question 1

The Military take over power from politicians in West African countries

- A. when politicians have become corrupt, and are reckless in their use of power
- B. when there is a breakdown of law and order in the country
- C. for reasons which touch on the interest of the military
- D. because of the personal ambitions of some politicians

Correct Answer is: B

Explanation

B is the right option going by the reasons (Kaduna Nzeogwu the coup plotter) the military gave for taking over power on 15th of January 1966. Option A is not enough reason because politicians may be corrupt and yet the military will not take over power but in a state of anarchy they might be forced to strike. Option E makes no meaning to the question. For options C, the military has no affiliation with the civilian. So it is a wrong option. Option A share some resemblance with option C. So it is wrong because the military has no special interest in civilians possession but to protect the country.

Question 2

The 1960 Independence Constitution of Nigeria provided for the

- A. Queen as head of state
- B. Governor-General as head of state
- C. Governor-General as head of government
- D. President as head of government

Correct Answer is: A

Explanation

The 1960 Independence Constitution of Nigeria provided for a democratic parliamentary system, It provided for a democratic parliamentary system, It retained the federal system of government where the Governor- General was the ceremonial Head of State representing the Queen. Therefore, the Queen was seen as the Head of State and not the Governor General.

Option A is the best option

Question 6

Nigeria's commitment to the liberation of Africa could best be seen in her policy towards

- A. Namibia and Mozambique
- B. The Congo and Zimbabwe
- C. Sierra Leone and Chad
- D. South Africa and Angola

Correct Answer is: D

Explanation

Nigeria's commitment to the liberation of Africa could best be seen in her policy towards South Africa and Angola. The administration of Murtala Mohammed recognized Agostinho Neto's Popular Movement for the Liberation of Angola (MPLA) at the expense of US and South Africa's support of UNITA AND FNLA played a decisive role in Angolan independence. In the year 1980, Shehu Shagari's administration offered N10 million to Zimbabwe on their independence celebration while Buhari's administration donated undisclosed amount of money to SWAPO of Namibia and the ANC of South Africa.

D is correct, because Nigeria commitment to the liberation of Africa could best be seen in her policy towards South Africa and Angola i.e Anti-apartheid stance.
